REFERENCE: Administrative Instruction
dated 1 July 1949

1. Paragraph 5 of reference Instruction requires each Staff Chief to furnish a list of at least six senior individuals assigned to his activity who can be contacted during off-duty hours should occasion arise.

2. Inasmuch as the T/O of this Office is limited to six legal officers, of which probably only three can be properly considered senior, strict compliance with the Instruction would be difficult. In lieu thereof, the following individuals are named as off-duty contacts for the Legal Staff:

LAWRENCE R. HOUSTON -

WALTER L. PFORZHEIMER -

3. All legislative calls will be referred to Mr. Pforzheimer or, in his absence, to myself.
